PRINCIPAL'S CORNER

Dear HNM Community,

Below is the sign-up-genius link for HNM School's Scavenger Hunt from 4:30 pm to 6:30 pm on Friday, October 30th. Please let us know if you are coming and exactly how many children will be attending so we have enough prizes, toys and clues for every child.

There will be a **Town Hall Meeting on Wednesday October 21st at 7:00 pm for all parents.** This will be a time to learn about the waiver program, the county's restrictions, preschool reopening, high need students and school child care. We anticipate high needs students to start on Tuesday and Thursdays beginning October 20th (except for 4th grade which will start on the 22nd). Due to the need for additional employees to man the school child care, we will not be able to start student child care until October 26th. Emails should arrive no later than Friday for all the students who were recommended for these programs.

Whew! We are busy preparing to see students again, and I can't tell you how excited I am to hear their voices. Rejoicing in their anticipated presence!!!

Gratefully,
Debbie Marquez

TWENTY-NINTH SUNDAY IN
ORDINARY TIME

Matthew 22:15-21

Reflecting on the Word

The Pharisees, scholars of Jewish law, were trying to trick Jesus into denouncing the rulers of his day. But Jesus refused to be tested and told them to give to Cesar what is Cesar's, and to God what is God's. There is a separation between the earthly realm and the realm of God. Although we are part of a society on earth and must pay our dues and taxes, the realm of God can intercept and weave through every aspect of our lives. We can acknowledge the primacy of God by doing God's work in all areas of our lives-not just during Mass and prayers, but by doing our daily work and living in a way that reflects God's will.

.....ON THE WAY TO MASS

What matters belong to humanity? What matters belong to God?

ON THE WAY HOME FROM MASS.....

Recall your responses to what belongs to humanity and what belongs to God. After hearing today's Gospel and homily, have your responses changed?

Living the Word

Explain that throughout history there have been clashes between the laws of humankind and the laws of God. But how might we, as Catholic Christians, live in the secular world and reflect our religious values?
